ShelfTrack® Elite Adjustable Mount Laminate System

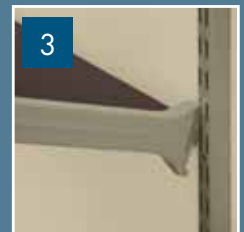

- A** Hang Track
- B** Standard
- C** Bracket Set
- D** Decorative Shelf
- E** Adjustable Closet Rod Kit
- F** 9-Slot Organizer

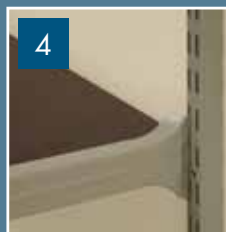

1
Level and secure hang track. Fasten each hole.

2
Insert standards no more than 24 in. (60.96 cm)* apart.

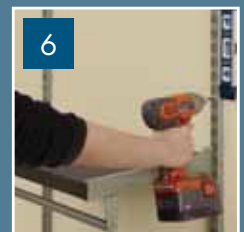

3
After installing brackets on the shelf, insert brackets with shelf at an angle into the standards.

4
Snap in shelves securely.

5
Once all shelves are installed, level, mark and secure each hole of the left standard to the wall.

6
Level and secure all holes of the right standard to the wall.

Nickel hardware shown. Also available in White and Satin Chrome.

* For 3 ft. Decorative Shelf, insert standards no more than 36 in. (91.44 cm) apart. For all other ShelfTrack closet installations, standard spacing should be no more than 24 in. (60.96cm) apart.

Versatility in and out of the Closet

ShelfTrack® Elite is an easy-to-install, wall-mounted, adjustable, laminate program featuring no-cut shelving. It is fully customizable to fit any individual's tastes and needs by adding decorative shelves, drawers and cube organizers. Ideal for master bedroom walk-in closets, bathroom linen closets, entryway reach-in closets, home office and loft spaces.

Program Highlights

- Shelves and accessories install "side-by-side" efficiently using the same standard or upright
- Honeycomb construction shelf and high-strength steel brackets
- Laminate available in White or Chocolate with White, Nickel or Satin Chrome finish hardware
